

Divano con doppio movimento e contenitore  
Sofà with double movement and storage

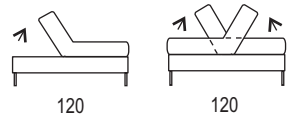

Bracciolo  
Arm

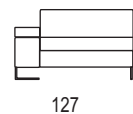

Programma di elementi modulari con infinite soluzioni di componibilità; sedute e schienali con meccanismi ne permettono una totale comodità. *Bifacciale* è ideale anche per centro stanza. Struttura in legno, corpo unico per seduta e schienale in poliuretano espanso a quote differenziate rivestito in ovatta di poliestere. Mediante meccanismi a diverse inclinazioni si ottengono situazioni di riposo fino ad ottenere un piano-letto. Proposto in due versioni: fisso o con contenitore in laminato acero sbiancato accessibile da entrambi i lati del divano. Bracciolo fisso o con movimento che permette di assumere posizione di appoggio/testata. Componibilità con pouff accostati che fanno da chaise longue, elementi con piano-tavolino in vetro nei colori nero lucido e specchio. Rivestimento sfoderabile. Piedi in acciaio cromato lucido.

*Program of modular elements with infinite solutions of modularity; seats and backs with mechanisms will allow a total comfort. Ideal sofa for double sided free standing. Structure in wood padded with expanded polyurethane and upholstered with acrylic fibres. Seat and back cushions in expanded polyurethane of different thicknesses, upholstered in polyester wadding. Through mechanisms at different angles you get situations of rest until to obtain a comfortable bed. Available in two versions: fixed or container in bleached maple laminate accessible from both sides of the sofa. Arm fixed or movement that can take position of support-head. Modularity combined with pouff that form chaise longue, items with flat-glass coffee table in black gloss and mirror. Removable cover. Feet in chrome-plated steel.*
