GINGER

design Arch. A. Mandelli

“RIGORE ED ELEGANZA; LA FORMA DEVE ESSERE SEMPLICE, VERA, PRECISA E DECISA. GINGER È UNA RISPOSTA SEMPLICE AD UN BISOGNO COMPLESSO. LA FORMA SEGUE LA FUNZIONE E NON IL CONTRARIO.”

“PRECISION AND ELEGANCE; THE SHAPE MUST BE SIMPLE, TRUE, PRECISE AND DECISIVE. GINGER IS A SIMPLE ANSWER TO A COMPLEX NEED. FORM FOLLOWS FUNCTION AND NOT THE OTHER WAY AROUND.”

Architetto, designer e pittore. Firma progetti di architettura e design di respiro internazionale. Allievo di maestri del design contemporaneo anni '80 molto significativi per la sua formazione professionale. La collaborazione ormai consolidata da più decenni con la Citterio Meda è la conferma di progetti di design dove la geometria minimale è l'elemento chiave del suo pensiero progettuale, unito a ricerca di materiali e tendenze sempre attuali con i tempi.

Architect, designer and painter. He develops international architecture and design projects. He studied with contemporary design masters of the 1980s, who were very significant in his professional training. The collaboration with Citterio Meda, consolidated over a period of several decades, is the confirmation of design projects where minimal geometry is the key element of his design thinking, combined with a search for materials and trends that are always in step with the times.

CARISMA ESTETICO E FUNZIONALE.

Nonostante la sua semplicità, Ginger suggerisce una sensazione di eleganza e di essenzialità che non ha tempo, e che non subisce i capricci dettati dalle mode del momento. La sua struttura elegante e lineare è completata da ampi e confortevoli cuscini seduta e schienale.

Il modello è proposto nelle versioni fisso e componibile, per offrire un'ampia e libera progettualità dello spazio adibito destinato alla conversazione e per rispondere meglio alle esigenze di comfort della nostra intimità.

AESTHETIC AND FUNCTIONAL CHARISMA.

Despite its simplicity, Ginger suggests a feeling of timeless elegance and simplicity, which is not subject to the whims dictated by the fashions of the moment. Its elegant, linear structure is complemented by large, comfortable seat and back cushions. The model is available in fixed and modular versions, offering a wide-ranging, free design of the space used for entertaining and better responding to the need for comfort in private moments.
