“LA POLTRONA MODERNA DAL DESIGN PULITO ED ACCATTIVANTE”

“THE MODERN ARMCHAIR FROM DESIGN CLEANED AND ACCERTING”

Architetto, designer e pittore. Firma progetti di architettura e design di respiro internazionale. Allievo di maestri del design contemporaneo anni '80 molto significativi per la sua formazione professionale. La collaborazione ormai consolidata da più decenni con la Citterio Meda è la conferma di progetti di design dove la geometria minimale è l'elemento chiave del suo pensiero progettuale, unito a ricerca di materiali e tendenze sempre attuali con i tempi.

Architect, designer and painter. He develops international architecture and design projects. He studied with contemporary design masters of the 1980s, who were very significant in his professional training. The collaboration with Citterio Meda, consolidated over a period of several decades, is the confirmation of design projects where minimal geometry is the key element of his design thinking, combined with a search for materials and trends that are always in step with the times.
